Earned Income Tax Credit 2012 - State of Michigan

The EITC has three distinct ranges, depending upon an eligible taxpayer's income. Charts 1 and 2 depict the 2012 EITC for unmarried filers and couples filing a joint return, respectively. Income, for purposes of the EITC, means either the taxpayer's adjusted gross income or earned income from wages, salaries, or business income, whichever produces the smallest credit. The EITC initially

Unearned income - Wikipedia

Unearned income is a term coined by Henry George to refer to income gained through ownership of land and other monopoly. Today the term often refers to income received by virtue of owning property (known as property income), inheritance, pensions and payments received from public welfare.
