The 6th Grade STAAR Test is an exam administered to all 6th graders attending public school in the State of Texas. The test determines academic ability, and can influence a student's future academic success throughout the State, and

even the country. Find out more about the 6th Grade STAAR Math & Reading Tests. Get guidance, explanations, and preparation tips.

### STAAR Grade 6 Math Test Prep - Tutoring and Practice Tests

Our STAAR math test prep courses are designed to provide the one on one math instruction that Texas students need in order to do well on the math sections of the STAAR. Unlike most practice sites which assume that students already have the math foundation they need to do well on the STAAR, we provide the actual instruction so that students can master the material they will see on the test.
