Sunforce 2,500 Watt Pure Sine Wave Inverter - Costco

Pure Sine Wave inverters provide clean power with very low harmonic distortion, no static or humming noise. Inductive loads like microwave ovens and motors run faster, quieter and cooler with the Sunforce Pure Sine Inverter and it is ideal for power tools, microwave ovens, coffeemakers, freezers and big-screen HDTV and satellite systems. This works best with a bank of 12 V batteries.

Top 10 Power Inverters of 2019 | Video Review

All alternating currents produce a sine wave of some form. AC in the home is a smooth, rounded sine wave, but many types of inverters create a squarish sine wave. This is fine for basic electronics, like coffee makers or blenders, but if running sensitive electronics that send and receive broadcasts of some kind, square sine waves can be problematic. For this reason, many modern inverters had
