What is being present? | Present Living & Learning The book, What's Important Now teaches six ways to let go of your past so you can focus your mind on the present. W.I.N. is John Kuypers top-selling book. In it, you learn how to become centered and self-aware of the tiny moments that trigger fear and anxiety, robbing you of your ability to be at peace in the present moment. This is the first of three stages on a life-long journey.

#### [Being by Kevin Brooks - Goodreads Share book ...](#)

Being by Kevin Brooks In the book Being by Kevin Brooks there are a lot of freaky things that happen. These aren't your everyday freaky things like your sister wanting to fly to space to meet a bunch of aliens or your brother wanting a piece of candy so he can lick it and give it to someone else or anything like that. It is freaky things like going into a surgery and your body being awake
