Your child's mental health - Caring for Kids

Taking care of our mental health is just as important as having a healthy body. As a parent, you play an important role in your children's mental health. You can promote good mental health by the things you say and do.

Technology and the future of mental health

Yet rather than replacing clinicians, technology will likely become a partner in modern mental health care, affording clinicians and consumers powerful tools to enhance well-being. Another challenge is maintaining the quality of care as we explore the intersection between clinical science and tech entrepreneurship.

What will the future hold for mental health nursing? | RCNI

It is ten years since the last government review of mental health nursing. Much has changed in the past decade in terms of health policy in the devolved countries and, in the age of austerity, the increased demand on the NHS.

Caring for Mental Health in the Future | SpringerLink

Discussions of mental health normally narrow down immediately to a focus on its care; this study, in contrast, seeks to deal with mental health as a theme in its own right alongside that of mental health care. This task led to the establishment of a broadly based committee whose members possessed a wide range of knowledge and experience in the field. The study was carried out by an equally

Mental Health Care and Treatment Act | Health and ...

Mental Health Care and Treatment Act In December 2006, the House of Assembly passed new legislation focused on

the protection and treatment of people suffering from severe mental illness. Effective October 1, 2007, the new Mental Health Care and Treatment Act represents a new approach in providing interventions and services for people with severe and persistent mental illness.
