Amazon.com: Customer reviews: Makita DC18SE 18 Volt Li-ion ...

I bought this as replacement for my older charger DC18RA since it started to show some problem intermittently especially during the cold days in garage. I noticed the price on Amazon for this model is less than one half of its previous model, but there is very little discussion anywhere else including Makida's own website if this model is a correct replacement for DC18RA. I bought it anyway
