The Korean War (1950-53) forms a little-known but exciting part of Canada's military history. This book takes two small nations and their capacities for war (in Korea's case, a brand new nation that can't even manage to stay together, in Canada's a nation with a low population and few international conflicting interests) and teases out the very human stories about their survivals and **World War Two | Oshawa Remembers: Tribute to Canadian ...**

Oshawa Veterans were immortalized in the comic book called True Comics in a story called Fredericks Freighters. This comic version was not produced as one of the famous Canadian Whites which were replacements comics during World War 2 while there was an embargo of US comic books into Canada by the Canadian government.
