Math in Focus Activities for First Grade - The Inspired Apple

Math in Focus Activities for First Grade One of my goals this year was to place an increased emphasis on math in my curriculum. This is difficult coming from a very very very literacy-oriented teacher. I like books and words and writing, and I know how to do books and words and writing. Doing math not so much. I just don't think like a mathematician. I think more in brightly colored Math in Focus: The Singapore Approach Grade 1A First ...

Math in Focus: The Singapore Approach - Cathy Duffy Math in Focus mirrors the original Singapore Math's

layout with books A and B for each level for Teacher's Editions, student textbooks, and student workbooks, essentially splitting the course for each level into two parts. Kindergarten is the exception to this layout since it has only workbooks rather than separate texts and workbooks; there are four of these relatively thin kindergarten
