New Directions in Grammaticalization Research |
Edited by ...

The articles in this volume examine a number of critical issues in grammaticalization studies, including the relationship between grammaticalization and pragmaticalization, subjectification and intersubjectification, and grammaticalization and language contact.

New Directions in Grammaticalization Research -
ebooks.com

By arguing that grammaticalisation inevitably involves paradigmatisation, i.e. formation of new paradigms or reformation of existing paradigms, we challenge leading approaches to grammaticalisation that consider the stages on the so-called cline of grammaticality the prototypical path of grammaticalisation.
