Public relations definition and meaning | Collins English ...

Public relations is the part of an organization's work that is concerned with obtaining the public's approval for what it does. The abbreviation PR is often used. [business]

Public relations - Wikipedia

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items.
