Course Descriptions | Faculty of Liberal Arts ...

This course critically explores ideas of race and racist practice, both past and present. Through a range of readings and audio-visual materials, we will examine how race is produced and reproduced, as well as how racism is perpetuated and sustained, in multiple, shifting, and context-dependent ways.

Sociologist will discuss the changing concepts of ...

The relationship between men and women and the conceptions and misconceptions of gender roles is a hot issue today and Dr. Michael Kimmel is one of the leading authorities on these topics. Much of his research has been about the concept of masculinity and how the school of thought has changed and
