The Singer 5932 takes me back to a portable Singer sewing machine I purchased in the late 1980s. They are alike in many, many ways. The primary difference between the 5932 and the 13 stitch machine I owned is the fact that the 5932 has 21 decorative and utility stitch options. When I first got my machine, I was in love with it. After a few years of steady use, however, it began to disappoint.
