Transnational Migrants: When "Home" Means More Than

One Country, October 1, 2004, Feature. By Peggy Levitt. The assumption that people will live their lives in one place, according to one set of national and cultural norms, in countries with impermeable national borders, no longer holds. Rather, in the 21st century, more and more people will belong to two or more societies at the same time. **Human Security, Transnational Crime and Human Trafficking ...**

In recent years, drug use, illegal migration and human trafficking have all become more common in Asia, North America and Asia; the problems of organized crime and human trafficking are no longer confined to operating at the traditional regional level. This book fills a gap in the current literature.
