If you do this you wouldn't have to pay anything in US taxes (French tax \$14,162.30 is greater than US tax, \$12,678). In addition, the foreign tax credit can be applied (in some cases) against tax on unearned income as well. [Unearned income - Wikipedia](#)

Unearned income is a term coined by Henry George to refer to income gained through ownership of land and other monopoly. Today the term often refers to income received by virtue of owning property, inheritance, pensions and payments received from public welfare. The three major forms of unearned income based on property ownership are rent, received from the ownership of natural resources; interest, received by virtue of owning financial assets; and profit, received from the ownership of capital. The United States has a progressive income tax. This means there are higher tax rates for higher income levels. These are called marginal tax rates they do not apply to total income, but only to the income within a specific range. [Income tax in the United States - Wikipedia](#)

Income taxes in the United States are imposed by the federal, most state, and many local governments. The income taxes are determined by applying a tax rate, which may increase as income increases, to taxable income, which is the total income less allowable deductions. [Taxation in the United States - Wikipedia](#)

The United States federal and state income tax systems are self-assessment systems. Taxpayers must declare and pay tax without assessment by the taxing authority. Quarterly payments of tax estimated to be due are required to the extent taxes are not paid through withholdings. [What Is Taxable Income? | Taxes | US News](#)
